"Thank you all for being a vital part of daddy and mother's life. Thank you for the ways you supported them over the years with prayer and the minister's financial gifts you gave. We also deeply appreciate your continuing support of mother after daddy passed.

Thank you for all the times transportation was provided for her and help given to her at church as needed. You, the people of Blue Ball Church were an important part of mother and daddy's life and meant a lot to them. Thank you also for the cards, kind words and prayers after mother's recent home going. We pray you will remain faithful to God as you continue serving him."

-Love, The Family of CB & Doris Horst
