Announcements:

A fellowship meal is being held today in the basement following the service. Everyone is invited to stay.

One child, one gift, one eternal life. Pack those Christmas child boxes. Pray over them knowing that somewhere in this world, one more child and their family hear God's salvation message and might come to know the love of our Savior, Jesus Christ... through one simple shoebox. Take a few more for a neighborhood or family packing party. *Remember to return them by November 16th.*

Announcements (cont.):

Let's be a praying church! Join us for prayer meeting this Wednesday, November 5th at 7:00 p.m.

Those who are staying for the Safe Church Training on November 9th are welcome to a light lunch after the service. This is for all who help with children under 18 years old (teachers, youth leaders, volunteers etc.).

CPR training will follow for approximately 2 hours. Thanks to Tom the training is free, but there is a \$10 fee for the cost of the official card. We have approximately 15 people, but more are welcome. Dress comfortably for skills check off.

Evangelism Essentials:

"We must school and train ourselves to deal personally with the unconverted. We must not excuse ourselves, but force ourselves to the irksome task until it becomes easy." – Charles Spurgeon

Pulpit Ponderings

(A reflection from the previous week's sermon):

To keep from being deceived we should be aware of false teachers, continue to grow in our personal relationship with Christ, and be connected to other believers.
