More on Back...

Evangelism Essentials:

Sincerity is not the way to heaven. If you are relying on your sincerity, then you are saying that because you are sincere, you are good enough on your own to be with God. To appeal to your sincerity is to appeal to pride, because you are appealing to something within you, and not to God.

Pulpit Ponderings

(A reflection from the previous week's sermon):

When God starts cleaning up the world of it's pollution, the process will be sealed in a scroll with seven seals. As every human being has been defiled with sin, no one was worthy to break the seals. The One who was found worthy, appeared as a slain Lamb, who redeems fallen man by His blood. Crowns are cast at His feet, a new song is used to worship Him and He sets up kings and priests to reign with Him on the redeemed earth. Those who had been unworthy are now made worthy by believing in the name of Jesus!
