More on Back...

Evangelism Essentials:

And old adage says, "God created man in His own image, and man has been returning the favor ever since." Making a god to suit yourself is called idolatry.

It is a transgression of both the first and second commandments.

Pulpit Ponderings

(A reflection from the previous week's sermon):

Every believer in Christ has a mission. Though our mission fields may vary, each believer has a mission to share the gospel and love of Jesus wherever God has us. How is God inviting you to join in His global mission right where you are? What opportunities might He bring your way this week?
