Announcements:

Pakistani Christians are trapped in loan shark brick kilns that leave them no way out. Global Christian Relief ministers to their needs by seeking funds to set them free. Would you consider helping a family in Pakistan? Sunday, December 7th will be the last day to collect funds. Mark your donation for GCR and place it in the offering basket. Thank you!

New offering envelopes will be distributed in December to those who received them in 2025. If you no longer want offering envelopes, or if you would like to start using them, please let Krista know by November 23rd. Her contact info can be found in the directory.

A Thanksgiving Eve service is being planned for Wednesday, November 26th at 7:00 p.m. Join us for a time of worship, a brief message, and testimonies of praise and thanksgiving to God. All are welcome.

Safe Church and CPR training will take place after the service, following a light lunch.

"When Peter fixed his eyes on Jesus, he walked on water! When Peter got distracted by the wind and waves, he did the doggie paddle." To be effective in witnessing, stay focused on the Master – Quote by MLM

Pulpit Ponderings

(A reflection from the previous week's sermon):

The devil is the source of spiritual entropy or decay. But God is the God of order. Everything tends to entropy and disorder but God renews and will renew all. The Christian life is a process of constantly being renewed as Satan tries to cause our lives to decay.
