### **Announcements (cont.):**

Next week is our final call to give to the Pakistani Believers. Mark your envelope with GCR and place your gift in the offering basket. Thank you!

---

“Focus on reading the Scriptures to the church, encouraging the believers and teaching them” (1 Tim. 4:23b). Since we all have Bibles, it is our privilege to read it privately. Consider the tremendous benefits of God’s Word and join the group that is committed to reading through the Bible in 2026.

The sign-up paper is on the narthex table.

### **Evangelism Essentials:**

“The church, the local church, is the womb from which healthy evangelism is born. On the other side of the coin, evangelism is not a matter of human effort: it is God’s work in which we are privileged to share. And evangelism, to be real, must be local.”– Carl Kerby

### **Pulpit Ponderings**

*(A reflection from the previous week’s sermon):*

Faith into action! The power in steadfast persistent prayer and to be vigilant. The daily lives of Christians might be the only Bible unbelievers read. Let’s have ‘salty’ words that encourage each other and talk that furthers the Kingdom of God.

### **OUR VISION**

GROW OUR RELIANCE ON THE HOLY SPIRIT  
DEVELOP COMMUNITY THROUGH DISCIPLESHIP  
ENCOUNTER OUR COMMUNITY WITH THE GOSPEL
