Evangelism Essentials:

"Man is the vicegerent (*deputy in charge*) of God's world. He is also the rebel in God's world (*the fox over the hen-house scenario*), and the object of God's love.

The image of God is there, albeit so marred. The wonder of it all is that this image can be restored in Christ. And that is a powerful motive to evangelism."

- Michael Green (*Editors input*)

Pulpit Ponderings

(A reflection from the previous week's sermon):

Jesus illustrated the selfless love of God by humbling himself to be born on earth and giving His life on the cross. Let God's love be shown in each of us this Christmas season.
