Announcements:

Over the next month you will see some changes to the parking lot. These are in preparation for the paving project. On the week of July 6th the parking lot will be prepped – it is ok to drive on it during this time. On the week of July 13th the paving will be done. If you need to come into church that week you will need to park on the front lawn. It will be ok to walk on but please do NOT drive on the pavement until Sunday July 19th.

Thank you!

If you've received a membership invitation letter and have not returned it, please fill it out and return it to Jeff Stauffer today.

Evangelism Essentials:

"Lots of growing churches make it a rule not to take any new step in the church's life unless and until they get unanimity among the decision makers. It is a very practical way of keeping open to Jesus."

-- Michael Green

Pulpit Ponderings

(A reflection from the previous week's sermon):

The most profitable exercise one can participate in is to train in godliness. We must be aware of false teaching and stick to the truth of scripture. Training in this way is a process and certainly takes commitment, but it is well worth the effort.
