More on Back…

Evangelism Essentials:

Every person on earth owes their life to one man, Noah, who preached for 100 years and saw only 8 conversions – saved through water (1 Peter 3:20). Never underestimate the value of your witness effort!

Pulpit Ponderings

(A reflection from the previous week's sermon):

Dear loved ones, at this very moment we are the children of God. No, we have no idea of what we shall be changed into – it's beyond our imagination! But this we do know, we shall be like Him, whatever wonderful way that is. We shall see Him just as He is and will always be!
