More on Back…

Announcements (continued):

November is an annual time designated to pray for persecuted believers around the world. While the focus is for Christians in the Middle East, Christians everywhere are being persecuted. Let's join and pray for our brother and sisters in Christ. More information can be found at *opendoorsus.org*.

Ken and Karen Wanner have discontinued their kwanner@ptd.net email address. Please mark your directories with the following changes:
Please see Ken & Karen for their new email addresses.

Evangelism Essentials:

"*Sin is man's (way of) saying to God throughout life, 'Go away and leave me alone.' Hell is God's (way of) finally saying to man, 'You may have your wish'. It is God's (way of) leaving man to himself, as man has chosen*" (C.S. Lewis). "*And others save with fear, pulling them out of the fire…"* (Jude 1:23a)

Pulpit Ponderings

(A reflection from the previous week's sermon):

1 John 4:7-21 reminds us to love God, to love one another, to continue abiding in Christ, to not fear judgement for Jesus paid for our sins, and to know He is faithful and just to forgive us our sins.
